

SPECIAL WPL TRUSTEES MEETING  
20 September 2006  
2:00 – 2:45

In Attendance: Trustees Kate White, Adele Wick and Julie Gilston; Acting Director Denise Grimse

The sole purpose of the meeting was to tidy up details involving the project to replace the moldy carpet with tile, moving and storing all the books and furniture as part of the process.

The most tricky detail in this tidying up proved to be *keys* – who had them, who would have them and for what purpose, and how they'd get back to who had them originally.

Adele turned hers over to Julie and agreed to call Dale about disconnecting the alarm system from the basement/children's room door.
