

February Trustee Minutes February 5, 2007

Computer issues were addressed: Susan's laptop is not working a \$250 diagnostic fee would be charged to find out what needed to be repaired. All of the computers are overheating.

Review of the heating system proposal. Decided to get other quotes. Key heating said in 2005 that the furnace needed to be replaced.

Review of the critical needs issues. Also disclosed that the heating bill is about \$600.00 per month in the winter season.

Discussion of alternate trustee candidates

New sign is going to be placed outside the library.
