Events and Classes:

June events included the last Lego Building day for the school year, see photos on the digital frame. All Baby Lap Sit sessions in June were canceled due to no attendance. Family Story Time sessions went well and Cow Day was a success with 156 attendees visiting Bambi. We had a small group attend the "Save a Seal" presentation for children and no one attended the Throwback Thursday for grades 5 and up. Eighteen adults attended the NHHHC program "Wit and Wisdom: Humor in 19th Century New England," and another 18 attended Classic Movie Night. Three adults came to the Teen

Tech Help night but no teens came. Staff was on hand to field questions. The weekly cribbage nights, Friday Morning Group meetings, and monthly book discussion group kept the library busy in June. June statistics also include two Kindergarten class visits and a few visits to the school to promote the Summer Reading Program. End of the year crunch at the school limited the opportunities for staff to meet with students. The summer reading calendar of events was also sent to the school for their daily email blasts to parents.

Summer Reading events for children continue in July with crafts, a hero day, an afternoon movie, a science magic event presented by the Boston Museum of Science, a special Wednesday night family event featuring Laura F. Keyes as Laura Ingalls Wilder in "Moving Day for Laura," and take on Jedi-type powers at the Jedi Academy. Note the science magic presentation will take place at the Parish House due to the lack of space in the library. Refreshments will be available after the program in the Children's Room. Also family story times will meet each Thursday. The summer reading program prizes include books and a variety of dollar store items provided by the Friends.

Tweens and teens will test their superhero knowledge and create their own glow-in-the-dark painting. This year the summer reading program features a bingo sheet with a basket of prizes. Also a gift card is raffled at each evening program. Prizes and gift cards are provided by the Friends.

Classic movie night, the adult book discussion, cribbage nights, and Friday Morning Group meetings will meet as scheduled.

In between programming events, several staff members are scheduled to attend a genealogy training workshop covering Heritage Quest and Ancestry Library Edition. Bobbi Slossar from the State Library is running the workshop. Weeks Public is sponsoring the training. Lane Memorial in Hampton is hosting due to the lack of space here for a large group training session.

Meetings, Workshops, and Events:

6/1 Classroom visits: Candace Yost visited two 4th grade classes.

6/8 Friends' Annual Meeting: Denise Grimse and Trustees Bette Henneberry and Mark Willis– The Friends met at Nik & Charlie's for dinner and their meeting. The group selected a different fall NHHC program, as the scheduled speaker was now unavailable; discussed the fall fundraisers; reviewed changes to the Friends brochure; selected speakers for 2016; and elected officers. Deb Bauder will continue as President, Phyllis Picha will continue as Treasurer, and Stuart Bauder is the new Secretary. Karen Johnson will coordinate the NHHC programs using dates provided by Denise.

6/9 Classroom visits: Candace Yost visited one 5th grade class and two 7th grade classes.

6/9 USPS Bulk Mailing Training: Denise Grimse – Met at the Banfield facility with the bulk mailing clerk to clarify procedures and requirements. With the new procedures, ten town-wide newsletters must be weighed first at the Banfield facility. The re-weighing, payment and final paper work then must be done at the Greenland Post Office, where the permit is held. Upon completion of all the paperwork, the newsletters for the routes plus the authorization forms must be taken back to the Banfield address for delivery. The newsletters for the P.O. Boxes remain at the Greenland facility. These extra steps add lead time to the newsletter publishing process.

6/16 Classroom visits: Susan MacDonald visited one 3rd grade class.

6/16 Department Head Meeting: Denise Grimse – Met with other Department Heads.

6/18 NH Retirement System (NHRS) Education Session: Denise Grimse – Attended this employer informational session in Concord to review important changes and regulations

for retirees returning-to-work.

Museum Passes:

The Friends are no longer sponsoring the Boston Children's Museum pass due to low usage. The Greenland Women's Club is sponsoring the Prescott Park buttons again this year. Six buttons are available for patrons to reserve. There is a reserve limit of two buttons per day per family. The limit is lifted when there are unreserved buttons after noon on the day of a performance.

Denise Grimse, Director
