Invitation to Bid

Weeks Public Library Greenland, NH
Addition & Renovations

Bauen Corporation is requesting bids from all trades for the new addition and renovations to the Weeks Public Library. The work consists of a new 8,470sf addition and renovations to the existing building. The scope of work includes but not limited to: sitework, concrete, masonry, structural steel & bar joist, metal stud wall framing, rough carpentry framing, wood trusses, finish carpentry, fiber cement siding, asphalt and EDPM roofing, aluminum storefronts, frames, doors and hardware, finishes, elevator, plumbing, fire suppression system, HVAC and electrical systems.

Sitework to start April 13, 2020. The addition is scheduled to be completed late December 2020 with total project completion to be March 2021. Existing building work to take place January 2021. Bidders can view the existing building on January 22 between 10:00 am and 12:00 pm.

Plans & Specifications Available: January 9, 2020

Bids Due: February 6, 2020 at 2:00 pm
